Description

The subject property comprises a two storey office building extending to c. 16,842 sqft. The building is of steel portal frame construction under a double skinned metal deck roof. The property was originally designed as a warehouse facility, however was subsequently fitted out as office accommodation.

Previously occupied as a 'serviced' office facility the property is suitable for a single occupier or as a multi-tenant block.

The ground floor accommodation comprises a reception/lobby area with kitchen, toilets, mail room and compartmentalised private offices whilst the first floor provides private offices, open plan office space, tea room and toilets.

In terms of specification the property benefits from a combination of carpet and wooden covered floors, plastered and painted walls, suspended ceilings incorporating both fluorescent and spot lighting. Heating is provided via Economy Seven storage heaters. Whilst there is an intruder alarm fitted and additional security is provided in the form of roller shutters to the front windows of the property.

There is allocated car parking to the front and rear of the property.
